VOLUME 1, ISSUE 7

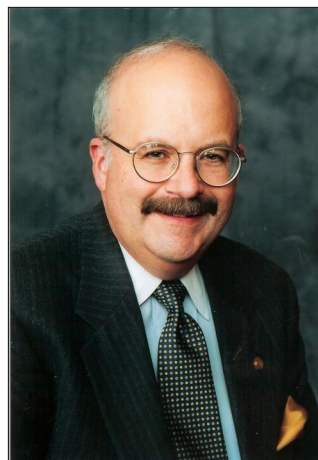

AUGUST 2010

LIBERTY POINT Scheduled to Open

A project over 10 years in the works has finally become a reality. *Liberty Point*, the supportive housing development for families in need will open its doors to the five apartment complex in September. A tour/dedication was held on July 15th with finishing touches following. The many partnerships involved in bringing this project to a close, or should we say to its "real" beginning should be applauded. On any given day in Connecticut approximately 4,154 people do not have shelter. *Liberty Point* is a move towards reducing that number. United Way of Milford salutes Beth-El, NWNH/Mutual Housing, CHFA, DSS, DMHAS, CSH, and the City of Milford for their passion and commitment to helping those in need.

From the Desk of the President...

Gary Johnson

Today there is someone in our community who must decide between keeping a job and caring for a child, between suffering abuse and being homeless, between paying a mortgage and getting essential health care, between feeding their family and sending their child to camp. While you might not know of their struggles, I am betting that you know them—our families, our friends, our neighbors. These are the people who we, along with our partner agencies, service. And, by focusing on education, income and health, United Way of Milford is working to address the critical needs of our community. An essential element to meeting these crucial efforts is the support we provide to 21 partner agencies that provide vital services throughout the community, but just don't have the means to fundraise for their organizations. While the challenge to meet these critical needs can be overwhelming, there is something each of us can do—rather than focusing on the struggles, I would like to ask that our community focus on the good that can be accomplished for our families, friends, and neighbors. By supporting our Annual Campaign, you can make a difference in the lives of those in need. Our theme—LIVE UNITED—Advance the Common Good—is the force behind our work: to strengthen families in our community so we all gain a better place to live, play, and work.

And then there are Our Leaders on Loan

What is a Leader on Loan?

A Leader on Loan is an individual who volunteers to assist in coordinating several United Way Community Campaigns at local businesses. These men and women come from all areas of the work force, including managers, sales professionals, health care workers, laborers or retired employees.

The Leader on Loan is usually an individual who is self-motivated, enthusiastic, and has a strong desire to make a difference in his/her community.

Thank you to the many businesses who have "loaned" us a leader!
